Customer's Email

- Rebates are given for installed appliances only (not for stub-outs).
- Rebates will only be paid for new purchased appliances at the residential address entered above. Used, rebuilt, or refurbished appliances do not qualify for this rebate.
- Rebates must include **ITEMIZED** receipts for all appliances.
- Rebates are limited to one per appliance type per address except for **Water Heaters**. An additional rebate **may be** provided at the rate of \$100 for a second water heater installed at an address.
- Rebates are subject to change without notice and are only available while funds are available.
- Rebates forms must be approved and signed off by a propane dealer licensed with the Florida Department of Agriculture and Consumer Services and must be installed per all local, state, and national codes.
- Rebate forms must be submitted within 60 days from installation date on existing homes and 90 days from installation date for new homes.
- This program begins **December 1, 2022, and ends November 30, 2024**, or when funds are depleted, whichever comes first.
- Propane industry employees are eligible for rebates.
- Rebate forms **MUST BE SUBMITTED** by a propane dealer licensed with the Florida Department of Agriculture and Consumer Services.
- A **SIGNED** work order stating appliance model number AND serial number **MUST BE SUBMITTED** with the rebate form.

I certify that this propane appliance was purchased for installation at the address provided for the Applicant. I am aware that a copy of an itemized receipt of purchase is required at the time of submission of the rebate form for the rebate to be processed. I am further aware that rebate reimbursement will not be issued until all program requirements have been met. I agree that the appliance installation meets all applicable codes. The Propane Education Foundation of Florida (PEFF) assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance or the associated gas system. The PEFF disclaims any liability for personal injury, property damage, business losses, or other damages of any nature whatsoever, whether special, indirect, consequential, or compensatory, directly or indirectly arising from the installation of the qualifying appliance.

**Authorization for Gas Appliance Rebate(s) to be
Credited to Customer Account**

The Propane Education Foundation of Florida (PEFF) offers rebates for new, installed gas appliances. The rebate form must be submitted by a licensed propane dealer and dealer participation is voluntary. If you would like _____ to submit the application and apply the rebate as a credit to your gas account, please review and sign the following:

I understand that if I did not purchase my appliance(s) from _____, I must supply them with itemized purchase receipts for each appliance, including the model and serial numbers for the appliances, to facilitate the submission of the completed rebate application in accordance with the policies of the Propane Education Foundation of Florida.

I authorize and direct the Propane Education Foundation of Florida to send my propane gas appliance rebate(s) to _____, where it is to be credited to my account and used for propane gas and/or propane related services and materials that I request.

I understand that I can contact _____ at any time for an account summary or any questions regarding my rebate(s).
